## ALLIANCE HOCKEY BULLETIN

ID: 23-022

**Date:** **October 17, 2023 REVISED** (Original distribution September 27, 2023)

**To:** All ALLIANCE Hockey Members

**Re:** Minor Hockey, Arena Conduct and Maltreatment

---

As we begin the 2023-2024 minor hockey season it is important to provide a reminder to all Members about appropriate conduct.

Minor hockey is dependent upon relationships with local facilities to ensure that we can provide successful programming throughout the season. We must ensure that we always respect facilities whether at home or at another venue. This includes being respectful of venue Staff, property (i.e. change rooms, lobbies, etc.), other facility users, etc. Furthermore, this includes playing appropriate music in change rooms, during warm ups and during on-ice functions.

With the 2023-2024 season upon us, it is important to remember that minor hockey programs and participants are under scrutiny of general observers, facility operations and live streaming cameras.

ALLIANCE Hockey has an expectation of members and participants to conduct themselves at all times in a manner consistent with the values of the ALLIANCE which include fairness, integrity, and mutual respect.

ALLIANCE Hockey is committed to placing the players and the game in the forefront in an environment that is fun, safe, and inclusive and will not tolerate any contradicting behaviour(s). As part of that commitment, we can work together to eliminate discrimination, disrespectful and abusive behaviour, and harassment from Canada's game with a zero-tolerance policy.

More information: [Understanding Maltreatment](#).

We look forward to a great 2023-2024 hockey season and wish you the best of luck.

**TOGETHER WE ACHIEVE MORE**
